flow

La collezione Flow propone un grès porcellanato effetto cemento, reinterpretando un materiale irrinunciabile per l'architettura contemporanea, ed esaltandone l'estetica, con un'attenta selezione di movimenti grafici e textures attentamente dosati.

Flow veste con naturalezza e disinvoltura ambienti dinamici, spazi urbani, sia pubblici che privati, conferendo un mood dal sapore attuale, sempre essenziale e minimalista, ma intenso e deciso. Un equilibrato mix tra l'eclettico stile industrial ed una elegante sobrietà.

The Flow collection of concrete-effect porcelain stoneware reinterprets one of contemporary architecture's core materials and underlines its aesthetic through carefully selected patterning and beautifully calculated textures. Flow is a natural, tasteful covering for dynamic interiors and urban spaces in both public and private contexts, generating a mood with a truly modern spirit, always simple and minimalist yet with a strong, forceful personality. A fine mix of eclectic industrial style and an understated elegance.

Die Kollektion Flow, Feinsteinzeug in Betonoptik, interpretiert den unverzichtbaren Baustoff der modernen Architektur und bringt sein Erscheinungsbild mit einem sorgfältig ausgewählten Strukturverlauf und feinfühlig dosierten Texturen zur Geltung. Flow eignet sich mit ihrem natürlichen, lässigen Charme für dynamische Raumkonzepte und urbane Räume, ob öffentlich oder privat. Sie schafft einen aktuellen, stets schlichten und minimalistischen Look und wirkt dennoch raumprägend. Eine stimmige Mixtur aus eklektischem Industriestil und schlichter Eleganz.

La collection Flow interprète, avec le grès cérame effet béton, un matériau indispensable pour l'architecture contemporaine et en exalte l'esthétique avec une minutieuse sélection de mouvements graphiques et avec un dosage précis de textures. Flow décore tout naturellement et avec nonchalance les cadres dynamiques, les espaces urbains, tant publics que privés, en donnant une allure actuelle, toujours sobre et minimaliste, mais à la fois intense et forte. Un mélange équilibré entre l'éclectique style industriel et une élégante sobriété.
